# Number fun workshop

Dear Parents/Carers

We would like to offer you the opportunity to come in and learn about how we teach maths to Reception aged children. This will be an informal workshop where parents can help to support their child more confidently with maths at home.

**When:** Mondays 21<sup>st</sup> October, 4th November, 11th November, 18th November

**Time:** 1:00 - 2:30

We will provide tea/coffee (biscuits too!) and a chance to have a chat about maths whilst making some useful resources for you to use with your children.

Please complete the slip below and return it to your child's class teacher by **Friday 10<sup>th</sup> October.**

We look forward to seeing you there.
