7th November 2014

Dear Parent/Carer,

National Space Centre

As you may know our Science topic for the forthcoming term is Earth and Space. We have a very exciting trip scheduled to the National Space Centre in Leicester. Once there the children will engage in various hands on activities, visit a planetarium and experience simulated space travel.

Times

The trip will take place on **Thursday 27th November 2014, Children will need to be in school at 6.45am so that the coach can leave promptly at 7am and we will return to school at approximately 7.15pm.**

All children **must** be collected so can parents please meet us at the school entrance.

The cost of this trip is in excess of £20 per child, the school will fund most of this cost but we are asking for a voluntary contribution of £5 per child.

Children must wear their school jumpers, and be dressed warmly with a suitable coat and walking shoes

Food

Children will need to be provided with a packed lunch plus extra snacks and drinks (NO Fizzy) due to the length of the trip. If your child usually receives a free school dinner then they will be provided with a packed lunch but please feel free to send extra snacks and drinks.

If you have any further questions please do not hesitate to contact your child's teacher.

Thank you for your continued support,

Mrs Charles Mrs Richards Miss Wright Miss Wilsher
