Dear Parents/Carers

YOU CAN MAKE A DIFFERENCE!

Welcome to Year 3 and 4. Our topic this term up until Christmas is 'You can make a difference'. We will be tackling local issues and generally saving the planet. We have some exciting work planned and trips. We are also taking part in the music festival 'Raise the Roof'. As part of this the children will be designing a brand new musical instrument made from recycled materials. Please hunt around at home for things your child could reuse and recycle (cleaned out!) for their exciting DT project.

We will be going on at least three local Geography field trips during this term and the dates are listed below. On these dates please ensure your child has a coat and suitable outdoor footwear. A text will go out to remind you. On these dates please provide a packed lunch for your child (If your child is in receipt of free school meals a packed lunch will be provided).

Geography Field Trip Dates

Uphill Woods and Clarence Park part 1

4B- Thursday 18th September

3A, 3B and 4A- Wednesday 24th September

Uphill Woods and Clarence Park part 2

4B- Thursday 16th October

3A, 3B and 4A- Wednesday 22nd October

Seafront

4B- Thursday 2nd October

3A, 3B and 4A- Wednesday 8th October

Please continue to help your child to make excellent progress by:

- Being punctual and attend school everyday
- Read with your child at least 3 times a week
- Help them recall number bonds and tables
- Encourage them to do homework relating to the topic (in whatever form) and bring it into school
- Bringing in PE kit for lessons
- Attend our WOW days and open mornings

If you have any questions please do not hesitate to speak to your child's class teacher.

Thank you for your support.

Year 3/4 team.
