

9<sup>th</sup> October 2014

Dear Parents/Carers

Now that your children are settling into the routine of nursery and are finding their feet we would like to share with you some of their learning so far.

Whilst other classes in the school will be holding a parents evening, we will instead have a parents week. This will involve you having the opportunity to stay during our morning and afternoon welcome activities. We will introduce you to your child's learning diary and your child's keyworker will be available for you to talk to informally.

We would like to involve your children as much as possible so please feel free to talk to them about their learning diaries. We will also have "WOW" stickers available for you to add anything that you think they do really well at home that reflects their learning.

If you wish to speak with a keyworker about anything and would like to make a separate appointment then please speak to Mrs Moore or Mrs Wilcox who will be happy to help you.

**Zebra group (Mrs Kelson) will welcome parents on Monday the 20<sup>th</sup> of October.**

**Elephants group (Miss Hammond) will welcome parents on Tuesday the 21<sup>st</sup> of October.**

**Giraffes group (Mrs Wilcox and Mrs Moore) will welcome parents on Wednesday the 22<sup>nd</sup> of October.**

We really look forward to seeing you.

From the Nursery Team.
