Dear Parents/Carers

PARENT VIEW

During Parents' Evenings on Tuesday 10th & Wednesday 11th February, our Community ICT Suite will be open to enable you to complete a Parent View questionnaire online. This is the main route for parents and carers to give their views at any time of year to Ofsted and the school.

We value your support and your views, so we would be grateful if you could spare some time on either of these evenings, to answer the 12 short questions. All you need is your email address to start and staff will be available to help you get started if required.

Yours sincerely

Debbie Ludwell
