6th January 2015

Dear Parents/Carers

Year 5 & 6 Sex Education

As part of the Year 5 and 6 PHSE Curriculum we are undertaking a series of 'sex education' sessions in the week beginning Monday 12th January. The sessions involve a DVD from the Channel 4 education series 'Living and Growing' and discussions with the class teachers.

The sessions cover:

- Differences between males and females
- How did I get here?
- Growing up

The DVD and discussions will involve the correct anatomical names for sexual organs and go into detail about growing up and how babies are made.

If you would like a viewing of the DVD that we will be showing the children, please contact your child's class teacher and we will arrange this for you. If you have any further questions please ask us.

Yours sincerely

Mrs Charles
