WE ARE OUTSTANDING!!

We are delighted to announce that the Ofsted team who visited the school on 21st and 22nd May 2015 have judged our school to be **Outstanding in all areas.**

The many highlights of the inspection report include the glowing reference to our children's behaviour, attitudes to learning and their overall achievement.

The report reflects clearly what we do at Bournville and what we have been doing over time for all our children.

We are particularly pleased with what is said about our pupils, that attitudes to learning are exemplary and that children's behaviour is a credit to our families, school and community.

We have worked tirelessly since our school was created in 2008 to ensure that we have teaching, resources and opportunities of the highest standard. We have achieved this and continue to push practice further. It's an honour to lead a phenomenal staff team and work in such a wonderful community.

We are a team at Bournville Primary School and that is the key to our success the children are a delight and make us proud every day. Thank you for your support.
