PREVENTING THE SPREAD OF ILLNESS

There has been a recent increase in the number of children suffering with sickness bugs. If your child develops symptoms of diarrhoea and/or vomiting you should keep them off school until they have been symptom free for 48 hours. Good hygiene is important to stop the spread of infection; please encourage children to wash their hands regularly with soap and water, particularly after using the toilet and before eating. Please help us keep a healthy school. Thank you.

BOOKSTART GROUP

Our weekly Bookstart group has started. Children have been having lots of fun making memories and engaging in stories, singing and rhymes. This week the children went on a bear hunt! If you have a child due to start in the 2+ nursery, please keep a look out for details of the next Bookstart group or see Fiona Bennett in school or text/phone 07833241277.
