## WELCOME BACK

Welcome back to everyone, we hope you had a wonderful Christmas and New Year. We have lots planned for 2013 so watch this space for news and upcoming events.

## A VISIT FROM PICKLES

In nursery this term the children voted for the topic they wanted and 'Pets' was a clear winner. The children have been learning the difference between wild animals and domestic ones.

They now know what makes a good pet. Each week they will be focusing on a different type of pet and this week the children have been learning all about dogs. The children watched a video of a dog visiting a vet and they looked at books about dogs.

The most exciting part of the week was a visit from Pickles the dog. The children were able to stroke him and ask his owner questions about what he likes and how to care for him. They even saw pickles do some tricks!

## IF YOU GO DOWN IN THE WOODS TODAY....

This week 1a and 1b went to Goblin Combe to spend the day in the woods. Everyone had an amazing time and played lots of fun games. They built shelters for goblins, collected and sorted goblin clothes and played a listening game where they were blindfolded and had to track animals. They finished the day with a long walk through the forest and got very muddy!

## I'LL HUFF AND I'LL PUFF!

Years 1 and 2 have started their new topic called 'Is it true?' and they are looking at traditional tales and learning how to

write stories. Their new story is The Three Little Pigs. The children in 1b like this story because the pigs trick the wolf! 2b made a story map of The Three Little pigs and used props to role play different parts.

## A ROMAN INVASION

We had a visit from a Roman Centurion called Claudius Maximus. The children thought he was very strict! During the day the children learnt all about being a member of the Roman army, about the Roman timeline and the Latin names for the Roman soldier's body armour. They were shown how to march and they practiced the tortoise formation (testudo) ready to go into battle – some of the children put their scutum above their heads to protect them from enemy spears!

Finally the children enacted a Roman battle in the school field. Everyone joined in and had great fun!

"By the end of the day we felt very proud even if some of us found it scary at first!"

Taylor from 4a said he was 'ready and brave' to join the Roman Army. Mia (4a) said she was a little scared but kept going. Ethan (4a) was excited to be joining the Roman Army. Toni (4a) felt strong being in the Roman Army.

Chloe from 4b liked it when we all had a big battle! Caleb (4b) loved it when he showed us all of his weapons like dagger (pugio), javelin (pilam) and short stabbing sword (gladius). Holly (4b) found it a bit scary but when we did the shouting she found it exciting.

## PARENT/CARER QUESTIONNAIRE

We will be sending out a questionnaire to all parents/carers to get your feedback on how we are doing. Please take the time to complete the form and give your views. Monitoring and evaluation is an important part of keeping the school moving onward and upward so your feedback is greatly valued.

You can also go online to Ofsted's Parent View <http://parentview.ofsted.gov.uk/>. Parent View asks for your opinion on 12 aspects of your child's school, from the quality of teaching, to dealing with bullying and poor behaviour. Please give your feedback, we really appreciate it.

## N-ICE START TO 2013

Years 5 and 6 had a visit from John the ice carver.

In front of their eyes John changed a block of ice into an amazing sculpture of a skiing penguin using a chainsaw and chisel! John explained all about the protective clothing he wears, why he wears ear-defenders, and how he makes a living making sculptures for weddings and big events.

Many of the children had a go at doing some ice carving. They even got to pour some orange squash through the penguin and had an ice cold drink!

Flik and Laura from 6a drank juice straight from the ice and thought it was really funny!

## PARENT VOICE PARENT FOCUS GROUPS

We want to know your opinions; what do we do well? What should we improve? What should stay the same? What should change?

One of the ways we do this is to run Parent Focus Groups. A parent focus group is a confidential, informal meeting of 8 or 9 parents round a table with a bite to eat and a drink. A member of our Parent liaison team will be with you to listen, take note and report to the school, this is anonymous.

We will be sending out a note next week, if you are interested please fill in the slip and return to the office, or drop in and give your name. We will run as many groups as we have parents/carers to fill. If you want further information please contact Debbie Ludwell, who will be delighted to talk to you.
