19th April 2013

OH, WE DO LIKE TO BE BESIDE THE SEASIDE.....

As part of this term's topic 'Who likes to be beside the seaside?' years 1 and 2 enjoyed a trip to the seaside. The children visited Weston Museum and learnt about Weston in the 'old days' and what seaside holidays were like in the past.

They saw old fashioned arcade games, old turnstiles, Punch and Judy theatre and puppets. They also went into Clara's cottage to see what life was like in Victorian times and they even dressed up in some Victorian clothes.

After the museum it was off to the seafront for a walk along the pier. The tide was out so there was lots of mud....not a good day for paddling!

Later the children went to Marine Lake where they played on the beach and the day ended with a fun ride on the Land Train along the promenade. A brilliant day beside the seaside was had by all.

IN SCHOOL - ON TIME

Research shows that children who arrive at school on time make better progress. It also shows that the less absence a child has the better progress they make. Please, please, please do the best for your child and make sure, if they are **fit for school**, they are **in school and on time**.

The playground gates open at 8.40am, classrooms open at 8.50am, registration closes at 9.00am. Any child arriving after 9am will be marked as late which is an unauthorised absence. Please help us with our attendance. Children that have good attendance make better progress and get rewarded.

SCHOOL CONSULTATION

You will have received a letter advising you about the proposal that the Governing Body of Bournville Primary School is considering becoming a foundation school and acquiring a Trust whose proposed name is the Weston-super-Mare Education Trust. The consultation period runs until Thursday 9th May. Please do come along to one of the public consultation meetings also complete a questionnaire with your comments. If you have any questions or require any further information on this process please let us know.

PACKED LUNCH

Please ensure that children do not bring nuts or chocolate bars in their packed lunch. We have children in this school that have severe nut allergies which can harm them. It is school policy that nuts or products containing nuts are not brought into school (many chocolate bars contain nuts or have traces of nuts). This is a health and safety matter as it protects children who have, or may have severe allergies. We greatly appreciate your cooperation in this matter.

A PLEA FOR PLASTIC CONTAINERS!

Our Let's Get Cooking group would gratefully appreciate receiving any plastic food containers including clean plastic takeaway containers with lids please. If you have any available please bring them to the school office in a bag labelled 'Let's Get Cooking'. Thanks for your help.

ECO-SCHOOLS BRONZE AWARD

Sainsbury's BAG PACK

A **HUGE** thank you to both Sainsbury's Worle and to our army of Bournville volunteers who turned out on Sunday 24th March to take part in a day of bag packing to raise money for clubs. We raised an astonishing £700.17 which put into context could pay breakfast club food for 60 children, or for sports coaches to run after school sports clubs for two terms!

We are now looking for volunteers (parents, carers, Y6's) to join us for our next bag pack on **Sunday 23rd June** for a couple of hours. Let's see if we can top the amount raised last month. Transport may be available to Worle if needed.
