LAST DAY OF TERM

Today is the last day of term. Have a lovely week off and we look forward to seeing everyone **back at school on Monday 1st June.**

WELL DONE YEAR 6

Well done to all our Year 6's for their hard work during SATs week. We know you've done your best and we are sure this will be reflected in some good results. We know from our own assessment that our Year 6 children have made fantastic progress during their time with us so thank you for all your hard work. You can now relax and enjoy your final term at Bournville!

Thank you to all our Year 6 staff for your hard work over the year in preparing for SATs. And a final thank you to Denise and Edwards & Ward for supporting SATs breakfast with providing bacon and sausage butties!

OFSTED VISIT

I have been asked by the lead Ofsted inspector Mr Alex Baxter and his team to offer their thanks to all children and parents for the warm welcome they received here at school. The team said they felt very much at home here and enjoyed their visit this week.

The report will be written and checked over the next 2 weeks and should be released in three or four weeks time. Until the report has been through this process the school's grade will not be given.

At this time the School is happy that the team were very fair, robust and challenging in their inspection. Thank you for all your support during the team's visit.

E-CIGARETTES

A reminder to parents/carers that smoking on school premises is not permitted, this includes e-cigarettes.

We want to provide an environment where positive health choices are promoted for all, therefore we ask that e-cigarettes are not used on the school site. Thank you for your cooperation and consideration.

2+ NURSERY SPACES

We currently have some places remaining in our 2+ nursery for afternoon sessions. Please call in to the school office and complete an admissions form as soon as possible to secure a place.

WELL DONE YEAR 2

Well done to all our Year 2 children who have been working very hard on their KS1 SATs tests. You have all done your very best and have shown extremely positive attitudes to learning.

The safety and well-being of our pupils is something that our school strives hard to ensure. We continue to work hard to provide ways to help you tell us if you or your children have any problems or worries which the school needs to know about such as bullying.

Reporting issues is a very effective way to enable us to deal with risks before they escalate into harm, and we already have several ways in which you can report to our school. That goes a long way in helping us create the safe and reliable environment for your children that you expect our school to be.

We understand too that sometimes, coming into school to tell us about these issues cannot always be an easy thing to do. Time? Arranging an appointment? Speaking with staff? Sometimes it can be a subject that you need to bring to our attention without wanting to identify yourself, but that you feel we need to know, particularly if it involves children's safety.

That's why we have launched a **Whisper** button on our school website. An anonymous reporting service for pupils, families and local community that allows you to send a message to a confidential school email account where staff experienced in responding to issues will receive it.

OPEN AFTERNOON - 9th JUNE

There will be an open afternoon on **Tuesday 9th June** linked to our Wesak day. All parents/carers will have the opportunity to do some fun activities in the classroom with your child. Further details will be sent out nearer the time.

MEETING FOR PARENTS OF CHILDREN STARTING SCHOOL IN SEPTEMBER

This meeting will give you the opportunity to meet your child's class teacher and the reception team.
