## END OF THE EGYPTIANS!

Years 3 and 4 had a busy end to last term. They finished their Egyptians topic in style by setting up and running their own museum. Some children were spooked by the realistic mummy in its tomb! The weather was fab and a great time was had by all.

## IT'S RAINING, IT'S POURING....

Turtles have been making the most of the rainy weather, having great fun jumping in the puddles but keeping lovely and dry in the new outdoor all weather waterproof suits.

## BLAST OFF!

Class 6B have been learning about forces and designing their own rockets. We will inform you if they manage to make and launch them!

## THE VICTORIANS

This term Years 1 and 2 will be learning about the Victorians, the inventions they made and about Queen Victoria and Brunel. They enjoyed a Victorian game day playing with traditional wooden toys, cup and ball, pinball, tiddlywinks and snap also singing games - a favourite being Oranges and Lemons, parlour games such as pass the slipper, animals and sculptures and outdoor games of quoits, boules, skittles and skipping.

"It was a fun day and we learned a lot about the way Victorian children played and had lots of fun without computers, batteries and electricity!"

## DIG FOR VICTORY!

This term Year 3 and 4 will be learning about Britain since 1930 and World War 2.

As part of the WW2 topic there are some exciting activities planned. On the 30<sup>th</sup> April there will be a walk to Uphill to look at a real 'Anderson Shelter' and fort. On the 21<sup>st</sup> May there will be a trip to Minehead for a ride on a stream train, on that day the children will be dressing up as evacuees just like the children in World War 2.

Class 3a have been digging for victory! Singing war songs and keeping everyone's spirits up by growing their own vegetables.

The children also designed war posters, you can see the 4 winners in the corridor. Special mention must go to Trinity for her "Come on Granny dig" campaign.
