"I'LL HUFF AND I'LL PUFF....."

Turtles have been looking at the story of the "Three Little Pigs" this week. They have been talking about the story looked at what the characters say.

Turtles have tried to build houses and experimented with different materials. "We found the straw too floppy, the sticks were better but the bricks were perfect.

We have turned our home corner into the house made out of bricks. Look out big bad wolf – don't come down our chimney!"

SPORT RELIEF

On Friday 23rd March, to help raise money for Sports Relief we had loads of fun things going on in school. We took part in the mile

challenge, threw wet sponges at Mr. Molland and had a penalty shoot out against Mr. Matthews. Staff and children dressed up in fancy dress, and we had lots of great costumes including princesses, superheroes, pyjamas and loads more; Mrs. Berry was Minnie Mouse and Mr. Tucker flew around the

school dressed as Superman. Money is still coming in but the total raised so far is £380.30. Thank you everybody!

BOURNVILLE FOOTBALL TEAM

The school football team remain unbeaten after a comprehensive win, 7-1, against Windwhistle. Mr. Molland used the match to try children in different positions so that they understand the roles of their team mates more.

PE

PE will be outside after Easter, so all children will need to bring the correct footwear to school in order to participate. Daps or trainers please.

SPARE CLOTHING REQUEST

If you have any spare pants, tights and trousers for KS1 size children please could you consider donating them to school. We need a small supply in case children need a change of clothes while at school.

SCHOOL DINNERS

The price of school dinners goes down from next term to £1.90. We are accumulating arrears for dinner money at the moment so may we remind you that Dinner Money MUST be paid on the day, or on a Monday for the whole week.

GENERATIONS ART PROJECT

On Thursday 29th March, we had a grand unveiling of a new piece of artwork, Bugs and Butterflies, created by the Generations Art Club, in Spring 2012.

This is a group of children and older members of our community working together. The children and adults made models with cardboard, newspaper and mod-roc and then painted them with acrylic paints.
