Have a Merry Xmas and a Happy New Year Bournville.....

Love the Staff

Science fun

Last week was Science Week for years 5 and 6. Deirdre Smith from Esso visited the children to teach them about chemicals and how they can use chemistry to find things out. The children also did an investigation to find out how much vitamin C is in various fruit and discovered that lemons have the most! The week was finished with a trip to Techniquest in Cardiff

Blackbeard!

Last week Year 2 had a Pirate Party to celebrate the end of their Land Ahoy! topic. The children dressed up as pirates and in the morning did lots of pirate activities. There was a treasure hunt in the playground and the children found some gold to exchange for party food. In the afternoon they enjoyed a party and played games.

Children in Need

A big thank you for all the kind donations on Children in Need day. Including the sale of wristbands the school raised a total of £320.59.

Trip to Waterstones

5A made a trip to Waterstones to see their Donkey poetry on the wall. They enjoyed listening to stories read to them and looking at how the shop is organised. The staff very kindly gave each child a book, some stickers and bookmarks.

Athletics Tournament

On Monday 5th December several children took part in the North Somerset Primary Schools Athletic Tournament held at the Hans Price Academy. The children thoroughly enjoyed the afternoon especially with their wonderful achievement of winning! As well as being the top team of the afternoon, the children were commended on their gamesmanship and fair play. Well done!
