

Pyramid of Provision at Bournville Primary School

Level 5 (previously Wave 3 & statements)

Children at this stage will be on Education Health Care plans and may also be in receipt of Top Up funding.

Level 4 (previously Wave 3 and SA+)

Children at this stage will be on the SEN register and will have one or more external agency involved. They may also be in receipt of Top Up funding.

Level 3 (previously Wave 3 and SA) -SEN interventions

Children at this stage will be placed on the SEN register. These are specific interventions run by the learning mentors and the intervention team.

Level 2 (previously Wave 2) - catch up and boosters

Provision that not every child in the phase can expect. This is not SEN provision but may include any booster groups or catch up programmes you do.

Level 1 (previously Wave 1) -Quality First Teaching

Every child in the phase can expect to receive this provision. Think twin effect, if 4b does something that 4a does not it will not go in this box.
