

What if I am not happy with the provision the school is making for my child?

If you feel that your child's needs are not being met within school, follow this simple flowchart:

Speak to your child's teacher first and explain your concerns.

If you still have concerns contact the SENCo (Mrs Niblett or Mrs Baker)

The next person to speak to is Mrs Berry the headteacher or put your concerns in writing to the Chair of Governors.

If you still feel the school are not meeting your child's needs you can contact the SEN Officer (Annette Milburn) at the Town Hall.
